

Public Meetings

Everyone is encouraged to be at the public meetings. The people who believe in sustainable management of the forest need to be present. Our County Commissioners value the presence of people and participation of the citizens at meetings. Show them you care.

The first meeting will be on Wednesday, June 20 at the Cotton Community Center located approximately 30 miles north of Duluth near the intersection of Arkola Road and Highway 53 (west frontage road) in Cotton [Map](#)

The second meeting will be on Thursday, June 21, at the Rice Lake Town Hall, 4107 West Beyer Road, Duluth. [Map](#)

Both meetings are from 6 p.m. to 8:30 p.m.
